Dear Administrator,

\_\_\_\_\_ has applied to participate in the MOEMS

(Student's First Name, Last Name, and Grade)

competition at the Metrowest Russian School of Mathematics. According to the rules of MOEMS, in order for a student to be eligible to participate in our MOEMS program, it is necessary to confirm that the student's primary school does not offer the opportunity to participate to any students. We appreciate your assistance in indicating below the status of your school's participation in MOEMS.

**Please check all the applicable boxes below and sign on the signature line:**

- Our school does NOT participate in the MOEMS E competition
- Our school does NOT participate in the MOEMS M competition
- Our school participates in the MOEMS E competition
- Our school participates in the MOEMS M competition
